

# END OF YEAR NOVELTIES / 2023

## ***Be conscious while creating a significant impact***

*Giving a personalised gift is a nice and high-impact opportunity to show your appreciation and to increase your brand recognition. During selection our goal is always to create functional and stylish products while increasing the use of recycled and renewable materials. Combined with the most suitable decoration technique we hope to inspire you with this new end of year selection full of environmentally as well as budget-friendly ideas.*

**amfori**   
Trade with purpose

### ***Responsible sourcing and production***

*All products are produced in a responsible way and comply with the requirements under European laws and regulations. Choosing more sustainable materials has been an essential factor during the development of this new collection.*

### ***Social responsibility and sustainable printing***

*During production and printing we focus on creating a safe and positive working environment. All items are well-constructed, tested and produced with compliant and safe materials. Our printing process requires the safe use of all production inputs, such as chemicals and the control of all production outputs and emissions.*

### ***Sustainable solutions***

*By strongly reducing the use of virgin plastic and rethinking the most efficient way to pack the goods, both individually and for onward distribution shipment, we can reduce waste and influence our environmental footprint.*
